Subject: Letter of Appreciation for Mr. Dave Henson

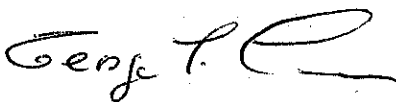

Mr. Hanley:

I wanted to bring to your attention the outstanding support I received from Mr. David Henson particularly after the sale of my home.

As anticipated in the construction of a new home, there are always items that require attention even after the closing process is completed. My new home is no exception; however, Mr. David Henson's responsiveness of to correct 'post-closing' discrepancies is impressive. Not only did Mr. David Henson make certain the repairs were correctly accomplished, he took the addition step to explain how the repairs would be performed and why they occurred. Moreover, he answered both phone calls and telephone text messages promptly, kept his schedule repair appointments and was always on time. Mr. David Henson personal attention to making certain issues were effectively corrected is greatly appreciated.

Kindly pass on this letter to Dave Hansen as my additional way of saying Thank You for his support. Additionally, you may share this correspondence with future Classic 3 Group clients.

Sincerely,

George L. Cava
